RESTITUTION AGREEMENT

This matter was before the Court for sentencing on June 28, 2019. At sentencing, the Court noted that, as part of his plea agreement, the defendant agreed to pay restitution for the entire scope of his criminal conduct, but deferred a ruling on the amount of restitution to be ordered. Prior to sentencing, and again after sentencing, the United States Attorney’s Office for the Western District of Virginia – as represented by the undersigned attorneys and specialists in its Victim Witness unit – notified all of the victims and informed them of their rights to seek restitution in this matter. After obtaining all the relevant requests and providing discovery to the defense, the parties have reached an agreement to resolve the restitution amount to be ordered in this case.

Pursuant to the plea agreement and 18 U.S.C. § 3663, the defendant has agreed to pay restitution to the following victims in the following amounts for harms caused by his criminal conduct in this case:

- To C.A. (Count 11), restitution in the amount of \$ 3,547.04.
- To M.A.N. (Count 13), restitution in the amount of \$ 2,880.
- To C.Y. (Count 21), restitution in the amount of \$ 59,973.
- To T.W. (Count 23), restitution in the amount of \$9,400.

Based on paragraph 269 of the defendant’s Presentence Report, the parties have no objection to the Court’s finding that the defendant has no ability to pay interest.

Restitution shall be paid to the Clerk of the United States District Court for the Western District of Virginia, and shall then be distributed to the victims. The United States will provide information to the Clerk's Office concerning where the disbursements shall be made.

The Court has adopted the agreement and shall therefore order that the defendant pay the above-referenced amount of restitution.

IT IS SO ORDERED.
